### Environmental Issues
Volunteer with **Clean Water Action Alliance of Minnesota**! Clean Water Action (CWA) is a national organization of diverse people and groups, joined together to protect our environment, health, economic well-being, and community quality of life. Goals include: clean, safe and affordable water; prevention of health-threatening pollution; creation of environmentally-safe jobs and businesses; and empowerment of people to make democracy work. CWA organizes strong grassroots groups and coalitions, and campaigns to elect environmental candidates and solve environmental and community problems. There are many ways to be a part of this movement, and if you are looking for something specific we should be able to assist you in your studies/experience. For more information, please contact Brian Wilcox, Grassroots Coordinator, 612-623-3666 Ext. 102, bwilcox@cleanwater.org.

### Social Awareness
Opportunities with the **Twin Cities Coalition to Defend Mumia Abu-Jamal**. The Coalition is a local, grassroots organization with two points of unity: (1) Work for the political defense of Mumia Abu-Jamal, political prisoner on death row, and (2) Work to end the racist death penalty. In addition to local activism, the Coalition is part of an international movement and works to service the rest of the movement by creating literature that can be used by others and by providing some computer services to the movement as a whole. Opportunities for student involvement include producing literature targeted at various communities, developing forums and other means of outreach to various communities, speaking at forums and other events, participating in tabling at events, producing email and print newsletter, producing materials for inclusion on our website, and preparing materials for the media. For more information, please contact Michelle Gross at 651-649-4579.
